I would like to declare my intent to participate in College Credit Plus. I understand that signing this form does not obligate me to participate during the coming school year and I may decide not to participate without consequence. I also understand that this form is not an application to any college/university, but simply a letter of intent. In addition, I understand that applying to the college I wish to attend is my responsibility.

I understand that it is my responsibility to notify my guidance counselor at Penta Career Center when I gain admission to my selected institution of higher education and that I will be told how many college semester hours I am eligible to take during the coming school year, including summer term. I also understand that it is my responsibility to notify my Penta guidance counselor if I am not going to participate in College Credit Plus for any reason.

In addition, I know that I will need to receive counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, so that I will understand my responsibilities, the benefits and possible risks of participating in College Credit Plus.
