

# Gas Metal Arc Welding (MIG) & Flux Core Arc Welding

Penta Career Center  
Adult & Continuing Education

The purpose of this part-time program is to prepare an individual for an entry level position as a GMAW welder fabricator. This program includes a mixture of technical knowledge and practical experience to introduce the student to GMAW welding.

Our hands-on experience includes: Thermal cutting, Gas Metal Arc Welding (GMAW) and Flux Core Arc Welding (FCAW).

The technical portion of the program includes a study of various types of welding equipment, proper operation and set up procedures and welding safety.

- Dates: February 08, 2012 – March 15, 2012
- Days: Wednesdays and Thursdays
- Time: 7:00 pm to 10:00 pm
- Hours: 36
- Tuition: \$450.00\* (must be paid 1 week before class starts)

*\*Does not include equipment – helmet, gloves, jacket and safety glasses*
