

# MEDICAL TECHNOLOGIES

Level 1 2024-2025

**Medical Technologies (Level 1)** students learn basic skills in patient care including feeding, bathing, personal hygiene and moving patients. Students in this program will take classes to prepare them for various health careers.

## Program Highlights:

- Learn the foundations of basic healthcare
- Work safely in the dietary department, learning feeding techniques and serving nutritious food for special diets
- Learn to communicate effectively and work as a team member
- Prepares students to sit for the State Tested Nurse Assistant (STNA) certification

## The Program Focuses on the Following State Approved Courses:

- Principles of Allied Health
- Nutrition and Wellness
- Medical Terminology
- Patient Centered Care

## COST-FREE COLLEGE CREDIT OPPORTUNITIES

### Career Technical Assurance Guides (CTAGs)

- CTMT001: Medical Terminology (3 Credit Hours)
