# PHLEBOTOMY

**LOCATED AT PENTA'S HOLLAND-SPRINGFIELD CAMPUS**  
**1205 CORPORATE DRIVE HOLLAND, OH**

Phlebotomy technicians are critical team members in hospitals, diagnostic laboratories, and blood donor centers. As new types of tests are developed, and laboratory tech positions grow, it's an especially exciting time to begin a career in this thriving field.

## Credentials

- Students will take the Phlebotomy Technician (CPT) exam to obtain the credential
- Bleeding Control Basic Course 1.0
- CPR First Aid
- A \$1600.00 savings to earn these credentials during high school

**If you have any questions, contact:**

Vicki Lammie  
Phlebotomy Instructor  
vlammie@pentacc.org

## Eligibility

- Any student who attends a Penta Career Center member school
- Senior Only Program
- Students 17-18 years of age
- 1/2 day program with academics at member school
- Students interested in healthcare as a career pathway.
- Students desire a skillset in healthcare to increase their earning potential.

Go to [www.pentacareercenter.org](http://www.pentacareercenter.org)  
2025-2026 High School Admission  
Complete the online form

## Phlebotomy technicians may perform these tasks

Drawing blood from patients and blood donors

Evaluating patient's ability to withstand the procedure and helping them feel comfortable

Performing basic point-of-care testing, such as reading blood glucose levels

Explaining the blood-drawing procedure to patients and answering questions

Maintaining medical equipment such as needles, test tubes, and blood vials

Preparing blood, urine, and other specimens for testing
