Additionally, an email regarding FinalForms was sent last week. If you have not received it, please check your spam or junk folder. These forms, which include medical information and emergency contacts, must be completed before the first day of school. Please be aware that FinalForms must be submitted separately for both the student's home school district and Penta Career Center due to privacy and confidentiality regulations, as the system does not share information between districts.

Thank you, and we look forward to seeing you soon.

Sincerely,
