We suggest buying quality tools so that you only have to buy them once. The above list has brand names that are of a quality that will allow you to finish your training at Penta and start you on your professional career as a remodeler. Your tools can be purchased at many hardware and home supply stores. If you take this letter to **Lowe's** at 10295 Fremont Pike, Perrysburg, Ohio 43551, they will give you a **20% discount** off the list price. Go to the Pro Services Desk located in the lumber area and they will assist you. List prices above are from June 2026 at Lowe's and may change slightly.

If you need further assistance in your tool purchases, please feel free to call Kate Costello at 419-661-6366.
