

AUTOMOTIVE COLLISION REPAIR

2021-2022

Automotive Collision Repair provides the necessary entry-level knowledge and hands-on experience to repair damaged vehicles to factory specifications. The program prepares students to begin a life-long career in the automotive collision repair industry.

Program Highlights:

- Repair and refinish vehicle surfaces using modern welding, sanding, masking, and custom painting techniques
- Assess damage and estimate repair costs to restore damaged vehicles to factory specifications
- Utilize the same advanced equipment as master technicians

The Program Focuses on the Following State Approved Courses:

- Collision Painting and Refinishing
- Collision Nonstructural Inspection and Repair
- Collision Structural Inspection and Repair
- Collision Electrical and Mechanical Systems

COST-FREE COLLEGE CREDIT OPPORTUNITIES

We are working to create articulation agreements with institutes of higher learning.

INDUSTRY-RECOGNIZED CREDENTIALS (POINT VALUES)

- ICAR Collision Repair (12 Points)
- ICAR ProLevel I Refinishing Technician Certification Repair (12 Points)
