

DENTAL ASSISTANT

2022-2023

Dental Assistant provides students with the skills needed to obtain a responsible position in general or specialized dentistry. Students are instructed in areas such as: laboratory procedures, radiology, chair-side assisting, and dental office management.

Program Highlights:

- Deliver quality patient care alongside dentists, dental specialists, hygienists, and office personnel
- Prepare patients, instruments, materials, and treatment areas for a wide range of dental procedures
- Use the same specialized equipment as practicing professionals within the dental laboratory, sterilization, and radiology labs

The Program Focuses on the Following State Approved Courses:

- Medical and Dental Office Technology
- Oral Diagnosis and Treatment Planning
- Dental Technology
- Dental Radiography

COST-FREE COLLEGE CREDIT OPPORTUNITIES
