

FIREFIGHTER

2022-2023

Firefighter is for students who want to pursue employment as emergency medical technicians, fire fighters and emergency response personnel, or for work in homeland security. Students who successfully complete this program will have the opportunity to earn Firefighter I and Firefighter II certification and may earn EMT/Basic certification.

Program Highlights:

- Work with firefighters, emergency medical and public safety professionals in the community
- Evaluate ways to combat different types of structure fires and the necessary protocols involved
- Operate a wide range of firefighting, security and life-saving equipment, while training to earn state firefighting certifications

The Program Focuses on the Following State Approved Courses:

- Foundations of Fire Fighting and EMS
- Firefighter I
- Firefighter II
- Homeland Security Protecting America's Critical Infrastructure
