July 29, 2026

Dear Parents, Guardians, and Students,

As summer comes to an end, Penta Career Center is preparing for the upcoming school year. We would like to share some important information to help you get ready. For a comprehensive list of back-to-school updates and communications, please visit our website: https://www.pentacareercenter.org/BackToSchool.aspx.

FinalForms – The FinalForms required for enrollment are now available for families to complete. These forms must be submitted before students can participate in any Career Tech lab activities or off-campus events. Please note that FinalForms must be submitted separately for both the student's home school district and Penta Career Center, due to privacy and confidentiality regulations that prevent sharing information between districts. If you need assistance with completing the forms, our support staff is available. Please contact us at 419-666-1120 ext. 0, Monday through Friday, from 8:00 AM to 3:30 PM.

Uniforms – Staff have prepared uniforms for distribution to students on August 13th during Parent Night/Open House, which will be held from 4:00 to 7:00 PM. If you need to order additional uniforms, we will provide that information soon.

Schedules – Student schedules can be accessed through the PowerSchool Parent Portal. A communication with instructions was sent to families on June 24, 2026. If you need assistance accessing your schedule, please do not hesitate to contact us.

School Supplies – There is no standardized list of supplies required for all students. Students should bring the necessary items needed for note-taking and organization. For students enrolled in Construction programs, tool lists are available on our back to school webpage. If you need help purchasing tools, please reach out to us.

School Fees – We are pleased to inform you that there are no school fees for the 2026-2027 academic year, as the Penta Career Center Board of Education has decided to waive all fees.

Social Media – We regularly share highlights of students' experiences at Penta through our social media channels. Follow us on Facebook: @PentaCareerCenter, X: @pentacareerctr, Instagram: pentacareercenter and Linkedin: pentacareercenter.

Employability – At Penta Career Center, our goal is to equip students with skills and knowledge to succeed in a changing workforce. We are committed to supporting each student's growth and development. Thank you for partnering with us to help your student become #SuccessReady.

Sincerely,

Tonya Kessinger
Director
Penta Career Center
